

Boiler Economizer Replacement

In order to replace a boiler economizer at the Power Plant, **Holy Cross Drive will have restricted traffic and be closed** per the schedule below. Access to all campus facilities will continue, but traffic patterns may need to be adjusted. Complete closure of Holy Cross Drive is planned for 24 hours starting at 6 a.m. on Wednesday, March 9, with a projected end no later than 6 a.m., March 10. Single lane traffic will be available the balance of the week from Monday, March 7, at 8:30 a.m. until Friday, March 11, at 8:30 p.m.

From		To		Closure
Date	Time	Date	Time	Detail
March 7	8:30AM	March 9	6:00AM	West Bound Lane closed, single lane traffic*
March 9	6:00AM	March 10	6:00AM	Road Closed, no traffic
March 10	6:00AM	March 11	8:30PM	West Bound Lane closed, single lane traffic*

*Road open to traffic in both directions with flaggers present during working hours and signage during off hours.
